Riding as One

Finding Your Balance and Independent Seat while Developing Deeper Unity & Partnership through Connection, Movement and Timing

This clinic focuses on helping you achieve balance, an independent seat, deeper unity and partnership through the power of mind/body integration and connection, movement and timing.

Each day begins with human-to-human biomechanic simulations, followed by 3 specific ground exercises that are designed to aid in developing deeper trust, connection, communication and partnership. These 3 exercises are paramount as they also calm confused and fractious horses and motivate those that need to feel inspired to join up. The purpose of each is to create a more connected, calm and willing partner in your horse.

After lunch participants will be riding, moving as one, with their horse through specific riding patterns designed to further promote mind/body integration, oneness, with their horse.

General Clinic Information

Format

Caroline Rider will be the instructor at each clinic. Rider Horsemanship will take the first 10 students to register and pay the deposit for each clinic. There will be a waiting list after the participant spots are booked. If there is a cancellation of one of the participant spots we will contact the names on the waiting list. If you are contacted to fill a spot we will require a non-refundable full payment to confirm your participation in the clinic.

Caroline pays individual attention to each and every participant in her clinic. If an apprentice is available, they will accompany Caroline to all 2012 Horsemanship Clinics. This is to ensure that in addition to direct group and one-on-one instruction directly from Caroline, owners can always be assured of help when they need it most.

Clinics begin anytime between 8-9am and usually wrap up around 5pm, with a 1.5 hour lunch break. The actual progress depends on the participants and their horses. Caroline's ultimate goal is to help each participant:

1. Gain a better understanding of their horse through education & insights into equine behavior.
2. Incorporate that knowledge with newly acquired skill sets learned.
3. Create a more fulfilling and rewarding relationship with their horse.

Auditors

The cost to observe is \$30.00 per day prepaid. Children 12 & under are free. Seating may be limited at select clinics. Please note - we may ask observers to bring lawn chairs at these clinics.

Observers are asked to reserve ALL questions for after the clinic. Training products, DVD's and clothing will be for sale at each clinic.

Please note, the following are not allowed: videotaping & pets.
